July 14, 2006

Mrs. Helen McIlwain
8100 Bluffridge Drive
Raleigh, NC 27615

Dear Mrs. McIlwain:

Please allow me to once again convey how sorry the Council is for your loss. Frank and Dot were only with the parish for a short period, but they made a wonderful impression on all of the parishioners.

For the past two months the Council has been discussing the creation of a scholarship (endowment) for children requiring financial assistance so they may attend St. Catherine of Siena School. I am pleased to inform you that last night the Council voted to create the Deacon Frank Barnes Endowment.

This year, and for years to come, the Council will present the Deacon Frank Barnes Endowment to selected individual(s) meeting established requirements. It is the hope of the Council that the endowment will be extended in scope, possible into catholic high school and/or college scholarships.

The first awarding of the Deacon Frank Barnes Endowment will be sometime in August or early September; I would like to invite you to present the check to the selected child(ern). I will notify you of the date and time when it is known.

Furthermore, I would like to request a photo (it will be returned) of Deacon Barnes, preferably in his robes, to post on our website. Along with the photo would please include a bio for Deacon Barnes - also for the website. Below is my personal address to mail the photo and bio. If you wish, I could meet you at a designated location to pick them up.

Please remember that the Brothers of the St. Catherine of Siena Council are here for you if needed. Please do not hesitate to call if we can be of assistance.

God Bless,

Donald W. Foster
Grand Knight
